

# 2023 Annual Report Cunderdin District High School

'Strive to be your best'

2023 was another successful academic year, with some remarkable achievements, we have accomplished amazing things together as a school community. 2023 was nothing short of extraordinary, marked by the successful completion of our 2021 – 2023 School Business Plan, the fostering of a positive and collaborative school community, and a commitment to developing our students to their full potential.

Our Strategic Business Plan served as a roadmap guiding us toward excellence in education and community engagement whilst staying true to our rich history and local context. As a school we are delighted to report that we have not only met but exceeded many of our targets. Through diligent planning and dedicated efforts from all stakeholders, we have witnessed remarkable growth and progress across various facets of our school's operations.

One of the cornerstones of our success lies in the strong sense of community that thrives within our school. We are immensely proud of the spirit of collaboration and support demonstrated by parents, teachers, staff, and students alike. Together, we have created an environment where everyone feels safe, valued, respected and encouraged to reach their full potential.

Undoubtedly, the highlight of the year was the celebration of our school's 75th anniversary. This momentous occasion brought together generations of students, parents, staff, friends, and alumni to commemorate our rich history and legacy of excellence in education. It was a joyous celebration of our past achievements and a reaffirmation of our commitment to shaping the future together.

Throughout the year, our school has played host to a series of successful carnivals, incursions, excursions, and camps. These events have provided students with invaluable opportunities for growth, learning, and exploration beyond the classroom walls. Our dedicated staff should be congratulated for their efforts in organising these enriching experiences and creating lasting memories for our students.

Together, we have achieved remarkable success. As we look ahead to the future and a new Business Plan, let us continue to strive for excellence, foster a culture of collaboration and build upon the strong foundation we have laid together. We look forward to another year of growth, learning and endless possibilities.

Student Numbers as at Semester 2, 2023 – 2023 Enrolment Trends for Semester 2 from 2019

# Analysis of 2023

- Enrolments were slightly up in 2023 and as high as they have been for over 5 years
- Our student transciency was considerably increased from the previous year. 21.9% of our student cohort changed throughout the year, up from 9.7% last year and the 24.2% high of 2018, placing CDHS in the 8<sup>th</sup> decile (the highest is 8).
- Our primary and secondary enrolments have increased from the previous year
- Enrolments in 2024 are expected to return to the average 5 year trend.

# Our Attendance Profile

# Analysis of 2023

- Our Primary attendance remained above the WA Public Schools average and slightly below Like Schools average
- Our Secondary attendance, was stronger than Like Schools, but was slightly less than the WA Public Schools average
- Our Regular attendance across our school was much higher than Like Schools and similar to the WA Public Schools average
- The Student Attendance Policy and Procedures were refined, and this indicated that we were having an impact on secondary student attendance for Like Schools but needed to improve primary attendance strategies

# Focus for 2024

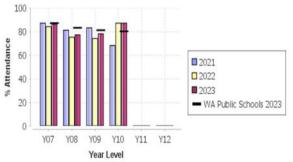

- The continued implementation and improvement of the Student Attendance Policy and Procedures
- Returning attendance rates to 'pre-COVID', using 2019 data as the benchmark
- Decrease the number of unexplained absences
- Reduce the number of students in the 'indicated at risk' category by improving their attendance
- Continue to increase Aboriginal student attendance rates

# Self-Assessment of the Progress towards Targets Featured in the Business Plan 2021-2023

At the beginning of 2021, Cunderdin DHS finalised and approved the 2021-2023 Business Plan. All of the school targets were aligned to four focus areas – Success for All Students (Academic), Success for All Students (Social and Emotional Wellbeing), Excellence in Teaching and Leadership, and Positive Partnerships. What follows is an analysis and planned response for each target following the third year of this 3-year cycle.
